

# The North Hill Christian Spokane, WA

JULY, 2025

VOL 73 #7

Flurries from Chris,

On July 12-15 I along with a couple members of our congregation will be joining with the wider body of our denominational church at the bianual General Assembly. This is often times an opportunity for me to worship, learn, and connect with people from across our denomination.

This Assembly will be a special one as we will be considering a resolution to make changes to the Design (how our denomination is structured and how General Assemblies will work moving forward). It is also Exciting for me as I participated in the writing of another resolution on Disability and Accessibility within the church.

There are many changes happening within our denomination and that is a good thing. Just like changes in the life of our congregation are sometimes necessary for us to continue to move forward, following God's vision for us.

As we prepare to do the work of the wider church may we continue to consider how we are called in new directions as we listen for God's leading in the life of our congregation.

Peace in Christ,

Chris Snow

# General Assembly Sunday

**7 days of prayer beginning Sunday, July 6, 2025**

We invite the whole church to join together in seven days of prayer leading up to the General Assembly.
