The Week of Compassion offering is used to help those in need around the world. It is the mission fund of the Christian Church (DOC) that supplies relief, refugee and development funds. This year's theme is "**A New Way**". Week of Compassion is there when it is needed and partners with other agencies...during 2025 they provided support in 77 countries along with the United States and its territories. This included helping along Maryland's shores rebuild housing lost in the 2021 floods, helping congregations in St. Louis that were heavily impacted by the devastating storm that hit in May and working with congregations in Texas after the July flooding. Week of Compassion is an important part of the ministry of the Christian Church (DOC) and your financial gifts allow you to be a part of taking care of those in need both locally and around the world. We will be taking a special offering for Week of Compassion on February 15<sup>th</sup> & 22<sup>nd</sup>. Please mark your check or envelope to indicate your gift to this important mission of our church.
